Good morning, George

That sounds like a plan. We will get in touch with you Monday afternoon after we have all arrived, picked up rental vehicle, and checked in.

Thanks!

Subject: Hours Of Operation - Lowerline

Good Monday afternoon! I'm happily unpacking six crates in my new cube in my new building. Such a joy!

Greg Fife and I discussed hours of operation and let's plan our workdays to begin at 0700 and end between 1700 and 1800. We'll take an hour for lunch before starting back up.

I'll see folks on-site late on Monday due to travel.

Let me know how this works. Thanks and take care!
